

## **Poster Winners**

### **First place:**

#### **Bruno L'Espérance**

*Poster #65 Equilibrium In Labor Market*

Supervisor: Ivar Ekeland

Institution: University of British Columbia

#### **Mirjana Maras**

*Poster # 69 Phase Diagram For Microphase Separation Of Diblock Copolymers*

Contributors: Rustum Choksi, J.F. Williams

Supervisors: Rustum Choksi, J.F. Williams

Institution: Simon Fraser University

#### **Oleksandr Romanko**

*Poster # 77 Parametric Quadratic And Conic Optimization: Models, Algorithms And Applications*

Contributors: Alireza Ghaffari-Hadigheh, Tamas Terlaky

Supervisor: Tamas Terlaky

Institution: McMaster University

### **Second place:**

#### **Claudia Daniela Calin**

*Poster # 56 Similarity Solutions For Coagulation Equations*

Supervisors: Henry van Roessel, Mazi Shirvani

Institution: University of Alberta

#### **Natasha Kirby**

*Poster # 50 A Real Options Valuation Of Ethanol Production*

Contributor: Matt Davison

Supervisor: Matt Davison

Institution: University of Western Ontario

#### **Olesya Peshko**

*Poster # 10 Analysis Of Organ Motion In Image-Guided Radiation Therapy For Cancer Treatment*

Contributors: Olesya Peshko, Douglas Moseley, Andrew Hope, Tamas Terlaky

Supervisors: Tamas Terlaky, Douglas Moseley

Institution: McMaster University

**Third place:**

**Amir R. Kermany**

*Poster # 76 Stationary Distribution Of A Two-Island Model Of Population Subdivision*

Contributor: Xiaowen Zhou

Supervisors: Donal Hickey, Xiaowen Zhou

Institution: Concordia University

**Hugo Larochelle**

*Poster # 45 Classification Using Discriminative Restricted Boltzmann Machines*

Supervisor: Yoshua Bengio

Institution: Université de Montréal

**Maryam Namazi**

*Poster # 70 The Effect Of The Meridional Barotropic Shear On The Equatorial Kelvin Waves*

Contributor: Boualem Khouider

Supervisor: Boualem Khouider

Institution: University of Victoria

**Daniel Roche**

*Poster # 46 Detecting Polynomial Perfect Powers*

Contributor: Mark Giesbrecht

Supervisor: Mark Giesbrecht

Institution: University of Waterloo
