**VESELIN JUNGIC**, Department of Mathematics, Simon Fraser University  
*COVIDization of my classroom*

My experience teaching online over the last year was mixed and included very low points and some victories too. I will use a few examples to illustrate this period in an attempt to explain the significance of this wide range of experiences.

I will also describe an unexpected encounter in a park on a sunny afternoon that made me realize that 2020/2021 was a lost year in my career of over 40 years as a teacher.
