## Shipping

Advance Shipments have to be sent to the address of the official decorator. The contact information will be available shortly at <http://www.cms.math.ca/Events/winter05>. All boxes have to clearly indicate the Exhibitor's name, booth number and total number of boxes in the shipment.

Packages, crates, and boxes should arrive at the decorator no earlier than Monday, December 5, 2005 and no later than December 8, 2005.

The official decorator will receive goods only if the freight is prepaid and the Drayage/Materials Handling Order Form is returned signed. The form is available in the Exhibitor Service Kit on the CMS web site.

Exhibitors may, of course, handle their own material if they so choose. These arrangements must be made in advance of move-in. Exhibitors who do NOT use the services of the official decorator must be prepared to supply their own labour, dollies, etc. for set-up and dismantling.

Please DO NOT send materials to the CMS Executive Office address. The CMS will not take responsibility for shipping them to the exhibit site. DO NOT send materials to the university, the conference centre or to the hotel(s). They will not take responsibility for storing or delivering them to the exhibit site.

## International Shipping

Mendelssohn has been appointed as official customs broker for this event. For all customs and shipping needs, we recommend that you deal directly with Mendelssohn. They will advise on how best to ship goods and will assist exhibitors in the completion of customs documents. Their Canada Bound Customs and Shipping Guide, containing all necessary customs forms and examples for their completion, is available from Mendelssohn or you may also download their forms from their website: [www.mend.com](http://www.mend.com) or go directly to [www.mend.com/html/download.html](http://www.mend.com/html/download.html).

For customs related inquiries please contact Bob Parker: Tel 604-687-5535 ext. 7705 or E-Mail [robtarker@mend.com](mailto:robtarker@mend.com).

Please notify Mendelssohn in advance if you are bringing commercial goods with you on the plane or driving your own vehicle into Canada. This will permit Mendelssohn to supply you with the appropriate customs forms and advise their border offices of your crossing.

Arrangements should be made at least 20 days prior to the deadline date. The cost for this service is not included in the decorator Material Handling fees.

## Return Shipment - Domestic and International

Each box of the return shipment has to be marked with the return shipping address and the number of boxes or crates being shipped and the correctly filled out Bill of Lading has to be taped to one of the boxes.

The decorator will bring the freight to their warehouse where the carrier of your choice can pick up no sooner than two days after the show ends and no later than one week after the show ends. It is up to the exhibitor to make pick up arrangements with the carrier.
