

RENAISSANCE BANFF

Mathematics, Music, Art, Culture

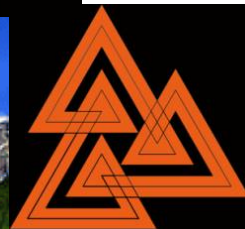

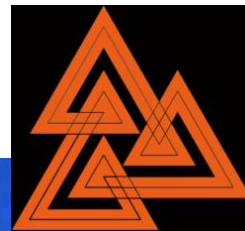

Bridges: Mathematical Connections in Art, Music, and Science

The Pacific Institute for Mathematical Sciences

The Banff Centre

Canadian Mathematical Society

The Banff International Research Station

THE BANFF CENTRE, BANFF, CANADA

July 31-August 3, 2005

A 3-day Bridges Conference and a Coxeter Day

www.sckans.edu/~bridges

SCIENTIFIC ORGANIZERS

Ivar Ekeland, Canada Research Chair in Mathematical Economics at the University of British Columbia, Director of the Pacific Institute for the Mathematical Sciences, Canada

Nassif Ghoussoub, Scientific Director of the Banff International Research Station, Department of Mathematics, University of British Columbia, Canada

Robert V. Moody, Founding Scientific Director of the Banff International Research Station, Department of Mathematical and Statistical Sciences, University of Alberta, Canada

Christiane Rousseau, Past-President of the Canadian Mathematical Society, Department of Mathematics and Statistics, Centre of Mathematical Research, University of Montreal, Canada

Reza Sarhangi, Bridges Conference Director, Mathematics Department, Towson University, Maryland, USA
