

Upcoming special issue in memory of Richard Guy

Canadian mathematical legend Richard Guy passed away on March 9th, 2020 at the age of 103. To honour his memory, we will have a special issue in fall 2020.

We encourage submissions of problems and articles as well as tributes and reminiscences. If you would like to contribute to the issue, please send the materials to crux-editors@cms.math.ca by August 1st.
